TO ALL CONCERNED PERSONS AND AGENCIES:

Revised Tentative Waste Discharge Requirements (WDRs) are enclosed for the subject facility. The Tentative Order, originally issued on 16 May 2008, has been significantly revised to address comments submitted by the Discharger. Therefore, the public review and comment period has been re-opened.

Any comments or recommendations you may have should be submitted to this office by **18 September 2008** in order for us to give them full consideration prior to the **23/24 October 2008** meeting of the Regional Water Board.

In order to conserve paper and reduce mailing costs, a paper copy of the tentative order has been sent only to the Discharger. Interested parties are advised that the full text of the order is available on the Regional Water Board's web site at

[http://www.waterboards.ca.gov/centralvalley/board\\_decisions/tentative\\_orders/index.shtml](http://www.waterboards.ca.gov/centralvalley/board_decisions/tentative_orders/index.shtml)

under the heading of "Discharger-Specific Orders for Future Board Meetings". The item will be posted by 19 August 2008. Anyone without access to the Internet who needs a paper copy of the tentative order should contact Anne Olson at (916) 464-4740.
